Objective: Review next steps and outcomes from the April 30th call.

John--if this time does not work for you, we can plan for 11 a.m. alternatively.

Just FYI for Jim & Jim as I understand you are out of the office this day.

I have set up a back-up time on Monday, 5/5, to debrief among the rest of us (John is out of the office Monday).

Helen,

John and I both think it's fine rescheduling the placeholder meeting on the 20th til closer to the meeting with Ecology once the meeting with Ecology is scheduled.

Thanks for checking in.

Given that we left our meeting last week on the same page I am thinking of cancelling the place holder meeting on the 20th, or at least re-scheduling it closer to whenever the meeting with Ecology gets scheduled. Let me know if you have any objections.
